Membership in Conexus is NOT tax-deductible as a charitable contribution, but a portion may be deductible as a business expense. Membership in Conexus starts on the day that membership dues are received and processed. Membership dues are non-refundable.

By joining or renewing membership with Conexus, your company agrees to fully abide by the Bylaws and stated Policies of Conexus, including any changes to those Bylaws and Policies duly modified by the Board of Advisors that may be made during the membership term. Please submit your company logo (jpg and eps formats) to azecca@conexus.org for inclusion in our member directory.

Membership dues shall be based on the annual sales of the member. Where a Member is a subsidiary of a parent company owning a majority interest (more than 50%) in the Member, or the Member is included in the consolidated financial statements of the parent company, the Member must include sales of the parent company in its dues calculation and the parent organization shall be considered to be the Member. If the Member is itself a separate legal entity, then membership must be based on that entity alone, and its dues shall be calculated on its own annual sales revenues.

Note: Sales figures are confidential and used only for the purpose of dues calculation. If you decline to report sales, your membership dues will be calculated based on a "large company".
